

# U.S. Geological Survey Open House

## 2003: The International Year of Freshwater

**You are invited to attend the Second Annual  
USGS Florida Integrated Science Center Open House!**

**“Integrating Science to Serve Our Communities”**

**Date: Saturday, May 17, 2003**

**Time: 8:30 AM - 12:30 PM**

**Place: Florida Integrated Science Center**

**7920 NW 71<sup>st</sup> Street**

**Gainesville, Florida**

Come tour our facilities, learn about our ongoing research, and meet our scientists and staff who will be hosting 20 displays showing Florida ecology, geology, coral reefs, fish and other wildlife, hurricanes, volcanoes, and many other subjects. Most displays are hands-on and will be fun, informative and educational.
